SCHOOLS USING CLASSLIST

Trusted By The Best

AGSEV connects Parents together

We help Parents connect with each other and share news and information on Classlist: To join our online community, search for 'The European School of Varese' on Classlist, then go to your children's classes to register. It is free and GDPR compliant.

The AGSEV Board Represents Parents

Each member of the board is connected to a Language Section. We have 2 Italian section representatives, 2 English, 2 French, 2 German and 2 Dutch.

There are 5 roles for SWALS representatives. Most – but not all - SWALS families are in the EN section.

There are also 5 'liberi' positions, for longer-serving board members.

Language Section Reps connect their Sections

- They connect the Section Class Reps together, either in person or on WhatsApp.
- They represent their Language Sections twice a year at the Education Council meetings
- They get involved in our activities and events programme.

SWALS Reps interconnect their families

- SWALS Representatives often, but not always, 'sit' in the EN section.
- They represent the interests of SWALS families twice a year at the Education Council meetings – and at all times during our Board meetings.
- They get involved in our activities and events programmes.

The Steering Committee manages the Board

- **Organise activities of the Board** (*Secretary General*)
- **Part of Policy process of the school** (*President & VP Internal*): offer Parent perspective to other School in dedicated meetings. Cannot represent whole school body, but are accountable to the AGSEV board.
- **Part of Policy process of all 13 European Schools** (*President & VP External*)
- **Keep the accounts of the AGSEV charity** (*Treasurer*)– collect money and redistribute it for volunteer insurance, gifts, and contributions to expenses of different school activities for the children.
